# THE UNIVERSITY OF MICHIGAN-FLINT CHAMBER SINGERS

UNDER THE DIRECTION OF DR. GABRIELA HRISTOVA

*A message of hope for the future of our planet.*

In the past few years, the devastating water crisis in Flint, Michigan, has become a symbol of how our society and environment are closely connected. A short performance by the ensemble will be followed by questions and answers from the audience. Tickets are not required.

The ensemble performs Saturday, March 16, 2019, with the Festival Choir of Madison. That concert is 7:30 pm - 9:00 pm at the First Unitarian Society of Madison.
